

# At Blue Noun,

we

**Amplify English skills,** to enable a person's unique message to be heard.

**Enable Scottish artists** with venue offers, audience & visibility, and economic opportunities.

**Reward** all our **community contributors.**

**Support & Promote** socially responsible tourism.

**Share** skills, ideas, information & opportunities.

**Respect** ownership of creative ideas/work.

**Reject** classroom hierarchy.

**Offer** mutual trust & attentive listening.

**Search** for excellent solutions.

**Avoid** superlative tourism.

**Shut down hate speech.** *Everyone* has the right to learn in a safe space free from prejudice.

**Teach English for International collaboration.** (We don't teach all the grammar we know, we teach what a person most needs to learn).

**You**

**Trust original thinking.** Let go of pre-set outputs and accept learning outcomes can be invisible and unpredictable.

**Pause** for **breaks & rest.** Language learning can get intense. Accept resting as part of the process.

**Take risks** to learn.

**Play fair.** Respect what our community offers.
