

ABOUT US

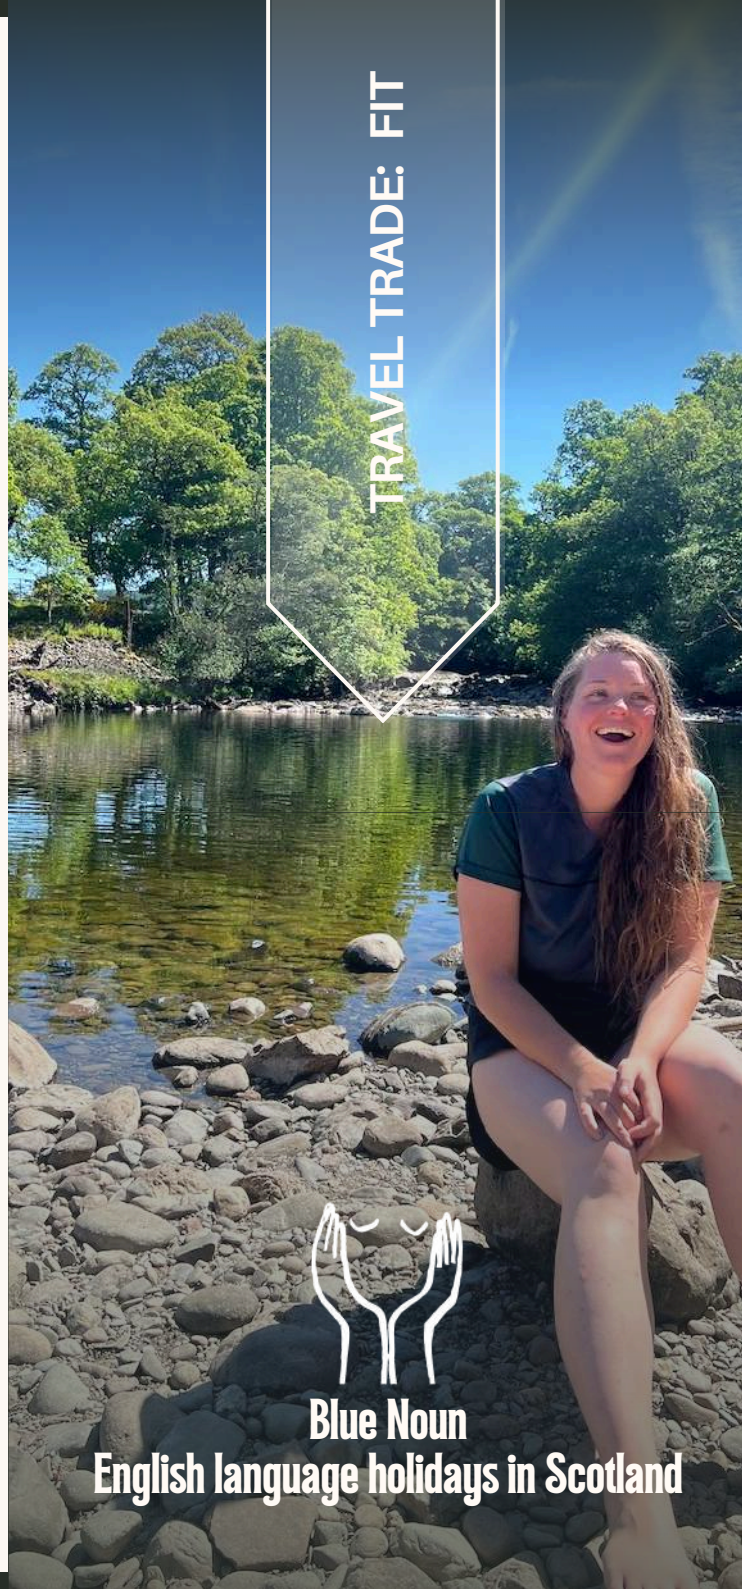

Blue Noun creates English language holidays for adults who want authentic English conversation practice and connection — not lessons.

We work at the meeting point of **language travel**, **professional development**, **slow travel**, **deep travel**, **cultural immersion**, and **responsible travel**.

LOCATION

Located in **Crieff, Perthshire** — Highland scenery without the remoteness. Central Scotland location with easy access from **Edinburgh** and **Glasgow** airports.

TRAVEL TRADE: FIT

Blue Noun
English language holidays in Scotland

LANGUAGE TRANSFORMATION

- Our clients grow strong in English through carefully curated conversation experiences, gentle coaching, and skill workshops like pronunciation or job interviews.
- Our approach gives the freedom to talk, connect, and build confidence through real, unrestricted conversation.

FACILITIES

- Blue Noun Hub – a comfortable base for meeting and relaxing, includes lounge seating, workshop space, kitchen, and guest fridges.
- Friendly homestay accommodation — private rooms with trusted local hosts.

LOCAL PARTNERSHIPS

Access to Perthshire's artists, studios, and outdoor specialists who share their expertise through conversations, workshops and nature-based experiences

TESTIMONIALS

Ana, Spain

"Every day feels like a new adventure, and the experience is deeply personal and authentic. Highly recommended for anyone who wants to improve their English while reconnecting with nature and discovering Scottish culture in a genuine way."

Eduardo, Spain

"In addition to improving our language skills, this experience was a truly outstanding immersion into Scottish culture: we discovered fascinating places, local festivals, and unique traditions that we would never have found on our own."

Ruth, Germany

"From the very first moment, I've loved the warm atmosphere and Ruth's passionate way of inspiring enthusiasm for the English language. Her innovative approach of bringing English to life in a vibrant and motivating way gives me a whole new feeling for the language."
